The Elevator Speech

How to Craft YOUR Elevator Speech, Floor by Floor, with - NO SWEAT!

We've all had this happen:

We're at a chamber meeting, networking event, or seminar, and the leader says, "Before we get started, let's go around the room and introduce ourselves. Tell us *who* your are and *what* you do. Give us your "Elevator Speech."

Many of us start sweating when we heard those words because *our* Elevator Speech always seems to be a "work in progress." We avoid eye-contact with the leader, hoping we won't be the first person called to speak.

On the other hand, we worry we might have to present immediately after someone delivers a *Killer* Elevator Speech, that WOWS entire audience. **YIKES!**

Our guest had this problem, also. To conquer it, he developed an **Elevator Speech Template** he'll be sharing with us on _____.

Fred E. Miller is a speaker, a coach, and the author of the book, "**NO SWEAT Public Speaking!**" It is being bought internationally and getting rave reviews on [Amazon.com](https://www.amazon.com).

Locally he's been interviewed by:

[Don Marsh on KWMU's "St. Louis on the Air."](#)

[Fox News's anchor John Pertzborn.](#)

[KMOK radio host Mark Reardon.](#)

[KSDK's Art Holliday](#)

His talk addresses a subject that we should all be proficient at:
