We have a Guest Speaker today!

Many people find climbing the career ladder, or succeeding in one’s own business, usually means doing some speaking in front of groups. It’s a *huge* credibility builder.

However, because of the **Fear of Public Speaking**, it’s an activity *many* dread.

It *consistently* ranks as one of the most common fears people share and holds *many* back from reaching their potential.

If you have this fear, or just want to be a better presenter, our speaker has a message for you. His books, “**NO SWEAT** Public Speaking!” and “**NO SWEAT** Elevator Speech!” are purchased internationally, and have rave reviews on [amazon.com](https://www.amazon.com).

He has been interviewed by local, national, and international media.

I did a little research and discovered our guest speaker had been in the **Coffee Service business** for many years.

Since he used to sell **Coffee**, I asked him to ‘**PERK UP**’ our meeting, and not let it become a ‘**GRIND**’.

I’ve been told he ‘**ESPRESSOS**’ himself well, and would never be considered a ‘**DRIP**’.
I don’t want to ‘**SPILL THE BEANS**’ on his talk. I’m curious, as I’m sure you are, to see and hear what he’s ‘**BREWED UP**’ for us.

The title of his talk is:

“**NO SWEAT** Public Speaking!”

Please help me welcome - **Fred Miller!**
